Guest Account Setup

Accounts are automatically created when the event team adds a guest via the invite link. The guest receives a welcome email with their personal access code — no separate sign-up needed.

- Invited guests: click the link in the welcome email → signed in instantly
- Walk-in guests: tap Register, fill in name, email & mobile → account created in 30 seconds
- Access code is auto-generated and sent by email

■ *If a guest loses their access code, an admin can look it up in Admin → Guests.*

Returning Guest Sign In

Returning guests sign in with their email and the 6-character access code from their welcome email.

- Email — same one used at registration
- Access code — 6 uppercase characters (e.g. K7N2QF)
- Tap 'Register instead' if they haven't registered yet

Digital Ticket & QR Code

After signing in, guests land on their ticket. This QR code is shown to booth clerks when making purchases.

- Live raffle entry count — updates as they spend
- Next prize draw countdown
- Tap 'How it works' for a quick explainer

■ ■100 spent at any booth = 1 raffle entry. Cap: ■5,000 per guest per booth per day.

Event Map

The Map tab shows a colour-coded floor plan of the venue. Guests tap any booth to see its full profile.

- Colour-coded by supplier category
- Tap any booth to open its info card
- Filter by category using the chips at the top

Booth Directory

The Booths tab lists all 34 participating suppliers. Guests can browse before visiting the floor.

- Booth number, category tag, and description
- Tap a card to open the full profile
- Website and social links available in profiles

Promos & Schedule

Suppliers publish exclusive event-day deals in the Promos tab. The Schedule tab lists all activities — fashion shows, demos, workshops, and raffle draws.

- Promos: event-day deals from participating booths
- Schedule: all Day 1 and Day 2 activities with times

Passport — Collect Stamps

Guests earn a stamp for each booth they visit. Collecting all stamps unlocks a bonus reward and additional raffle entries.

Step 1

Guest taps the Passport tab → scan icon.

Step 2

They point their camera at the booth's QR code (on the store's Booth QR screen).

Step 3

Stamp is recorded instantly.

- *Complete all booth stamps to unlock the passport completion bonus.*

Challenges / Quests

Guests earn bonus raffle entries by completing special event challenges.

- Booth visit — automatically completed when stamp is collected
- Visit-all — completes once every booth stamp is earned
- Activity challenges — e.g. attend a fashion show or workshop

Raffle Entries

Shows total entries and individual ticket numbers. Entries accumulate in real time as purchases are processed and challenges are completed.

- Purchase entries: ■100 = 1 entry (approved by booth clerk)
- Challenge entries: bonus entries for completing quests
- Passport entries: bonus for visiting all booths

- Approved — entries were issued immediately
- Pending override — amount exceeded cap, waiting for admin
- Denied — admin rejected the request

Your Booth QR

Guests scan this to stamp their passport

Mcatering

Booth H1-01 · Catering

Print this QR and display it at your booth.

Booth QR Code

Display this screen so guests can scan it to collect their passport stamp for your booth. Keep it visible throughout the event.

- Guest opens app → Passport → tap scan icon
- Points camera at this QR code
- Stamp is added to their passport automatically

■ *Leave this screen on-screen and facing outward toward guests.*

Section 3

Admin App

Monitor live metrics, approve overrides, manage guests, and run the raffle draw.

Admin Login

Admins log in with their name and the shared admin passcode. Multiple admins can be active simultaneously on different devices.

Step 1

Tap 'Admin login' at the bottom of the landing page.

Step 2

Select your name from the dropdown.

Step 3

Enter the admin passcode and tap Sign in.

Live Dashboard

Real-time overview of event performance. The Pending Overrides card turns red when action is needed.

- Registered Guests — total signups
- Raffle Entries — all entries issued so far
- Approved Sales — total peso value processed
- Pending Overrides — tap to review immediately
- Top Stores by Revenue — live leaderboard

Override Approvals

Purchases over the daily cap appear here as Pending. Review the receipt photo and clerk note, then approve or deny.

Step 1

Tap a pending override to open the detail view.

Step 2

Review the receipt photo and clerk note.

Step 3

Tap Approve to issue entries, or Deny to reject.

■ *The system is race-condition safe — if two admins tap Approve simultaneously, only one succeeds.*

Guest Management

View all registered guests with name, email, entry count, and access code. Use this to help a guest who's locked out.

- Search by name or email
- Copy access code to share with the guest
- See how many entries each guest has

Raffle Draw

The MC uses this screen to draw winners one prize at a time. Each tap selects a random ticket from all eligible entries.

Step 1

Go to Admin → Draw.

Step 2

Tap 'Draw winner' for the current prize.

Step 3

Announce the winning guest's name and ticket number.

Step 4

Proceed to the next prize.

■ *Winners are recorded permanently. A prize cannot be re-drawn once a winner is confirmed.*

Common Questions

Q: Guest lost their access code?

A: Admin → Guests → search by name or email → share the access code verbally.

Q: Clerk submitted wrong amount?

A: Contact the coordinator to void it in the Supabase dashboard — entries cannot be reversed in-app.

Q: Camera won't open on guest's phone?

A: Guest taps 'Enter code' on the Scan screen and types the QR value manually.

Q: Purchase stuck as Pending Override?

A: Admin → Overrides → tap the request → Approve or Deny.

Q: Raffle draw shows no eligible entries?

A: All transactions may still be pending overrides. Process overrides first, then retry.
